

We're seeking a Hospitalist to join us in Florida

We're ready for the future of healthcare. Are you?

As a SIMED Physician you have the benefit of being part of a dynamic group of healthcare providers and who are prepared for the changes affecting private physician practice. SIMED is actively leading the way through Meaningful Use, Population Health Management, Quality Incentives and more. Our physicians will be ready for the new normal of healthcare. We find ways to help you work smarter, not harder.

Southeastern Integrated Medical (SIMED) is a progressive physician owned multi-specialty practice located in the heart of North Central Florida. Established over 25 years ago, SIMED has developed into a regional health care system with over 70 physicians serving a diverse population.

Our compensation package rewards performance, quality and provides long-term incentives and benefits planning. We offer the stability and voice of a large medical system with the advantages of ownership; all while maintaining a unique collegial relationship with the local medical and university communities. Our experienced team of healthcare management provides you the opportunity to focus on patients while still maintaining a balance between work and home life.

Whether you're completing residency, your employment agreement is reaching its term, or you're just ready for a fresh start, let us show you contemporary medicine where physicians still have a voice in the direction of health care.

Qualified candidates should hold a valid Florida license or the ability to obtain one. Candidates should also be Board Certified / Board Eligible.

For more information call or send us your CV directly.
